Hand in hand we learn

Care when driving to school into the village

We have been asked to politely remind parents about safety when driving into the village at drop off and pick up times. Please ensure you are mindful of icy conditions, splashing in big puddles etc. and adjust your speed accordingly. There is a 20mph limit coming into force but we are still waiting for the Council to come and put the signs up so road users are aware of the change. Hopefully this will be very soon.

If anyone has any shoe boxes with separate lids or cereal boxes please can Class 1 have them for a project? Many thanks.

Settrington's Got Talent has been postponed to allow the children to perfect their acts – stay tuned for further details!

FOCAS news

Thank you to everyone who supported the Easter raffle and name the teddy competition in the last week of term. We raised another £110 which will go toward the new school library. Many thanks to Sarah and Phil Shaw for their contribution to the hamper, it looked lovely!

A big thank you also to Nicky Hodgson for the joke sheets and buns we received on the last day of school, they were a lovely end to the term.

Work has started on the library, Rob Hardwick was hard at work over Easter removing the sink in the top of class 2. Thank you for this, and thank you to Charlotte for your ongoing organisation of this!!

Our next event is a beetle drive on Tuesday 1st May in the Village Hall. Doors open at 5.30pm ready to start at 6pm. Please tell your friends and family as we would love to have the hall full of people all enjoying the fun! It really is a very enjoyable and sociable way to spend time and raising money for school in the process! Thank you to Sarah Simpson for continuing to organise these events – good luck everyone!
