

Thought of the week

'Our present troubles are small and won't last very long. Yet they produce for us a glory that vastly outweighs them and will last forever!' 2 Corinthians 4:17

Tesco - Driffield

A while ago we applied to be one of the projects Tesco support, to help purchase some new play equipment for the Early Years area. We found out over Easter holidays that we have been successful, so we are very excited! This means that from 1st May in the Tesco store in Driffield shoppers will be given tokens and they can vote using these tokens to choose to support our school. We know a lot of our children go to Driffield for swimming lessons and other activities so we would be very grateful if you can spread the word to get as many friends and family to shop in this store, and vote for our school when given the tokens so we can get money towards our project. THANK YOU!!

Sports afternoon

If anyone forgot to bring their 50p into school on Friday and would still like to, we would really appreciate this. Please pop it into the school office by the end of the week. The Year 6 children would really appreciate the support after all their hard work.

Tommy & Evan said 'All of Year 6 organised a sports afternoon, we did cricket, football, netball and rugby. The Reception children gave us 10 out of 10, everyone enjoyed it!'

Aven confirmed this as he said "I played rugby which was my favourite as we had to throw the ball to each other. I also enjoyed the football as we tried to score goals".

Class 1 Open Afternoon is this Friday from 1.30pm. Mrs Thompson is still short of some shoe boxes with separate lids. If anyone has any more, we would be very grateful if you could bring them to school.
