

Thoughts of the week

Young Voices

Young Voices in Sheffield will be upon us as soon as we get back after Christmas. So Mrs Shephard will be holding an after school club just for the people attending this event on the first Tuesday back, 9th January, to run through all the songs again. Please keep listening to the songs over Christmas and practising at home. **All other clubs start back the w/c 15th January.**

Carol Service

If your child is staying for the carol service on Tuesday we will keep them in school and will all walk up together in time for the service at 4pm. We look forward to welcoming as many people as possible to join in with us at this service. We have very kindly been given permission to park up at church if you need to, but only in certain areas – we have attached a map for your reference. Please do not park on any of the verges or drive over the field upon exit – we would hate to abuse the kind permission given.

Christmas parties – Wednesday

Children can bring a change of clothes this Wednesday for our party in the afternoon, in a labelled bag please.

The **FOCAS** raffle raised £150 for school funds – thank you so much! There is a box in the school office for you to put your jokes in; thank you for all those sent in so far, keep them coming!!

Village Hall Car parking

We are aware how busy the village hall car park is getting, especially when everyone needs to collect children at the same time. Can we ask that you are mindful of this and park as close to other cars as possible to allow the maximum amount of cars in. Please also be aware of children entering the car park and keep safety at the forefront of your thoughts. Many thanks for your assistance with this.

Happy Christmas

All the staff at Settrington Primary would like to wish you and your families a very happy Christmas.

Children are due back in school Tuesday 9th January 2018!
