

Thought for the week

Poppy Appeal

We raised £26.50 through the sale of poppies in school. Well done everyone.

Chocolate bingo books

We have taken delivery of all the books we have ordered as a result of the money raised at the chocolate bingo so thank you so much. They are ready for class 3 to use next term.

Christmas Lunch

Christmas lunch will be served on Tuesday this week. Unfortunately there isn't enough room this year for everyone to sit together, so we will have 2 sittings as usual. Lunch will be turkey with stuffing and gravy, sausage, roast potatoes, peas and carrots, followed by chocolate ice cream trees (oh and of course a Christmas cracker!).

The rest of the week menu may also be subject to change; today it is pizza instead of pasta as Mrs Marklew needs to use up stock that is left.

12th December 2016

Hand in hand we learn

Stars of the week

Class One – Teri
Class Two – Alfie & Tyler
Class Three – Drew

Writers of the week

Class One – Oliver & Zoey
Class Two – Amelia & Seth
Class Three – Jasumin

Mr Hardcastle guitar lessons

Lessons are WEDNESDAY this week at 9am rather than on Friday as usual.

Calendar for the Week

Monday 12th December:

Tuesday 13th December: Christmas Dinner, decorate Christmas tree with the Storeys

Wednesday 14th December: Class 2 singing at the Ham & Cheese, Mr Hardcastle guitar lessons, Carol Service 3.30pm

Thursday 15th December: Christmas party in afternoon

Friday 16th December: Class 3 to sing Christmas carols at Rillington

Road Closure – We have been advised that the top road from Beverley Road to the quarry will be closed on Wednesday for hedge cutting. If you travel to school from Norton area that way you will need to come on the A64 or an alternative route that day.

Parking

A little reminder please that you should park in the Village Hall when bringing or collecting your child from school and then use the new pathway to cross the road at a safer place. Please do not park on the road.

Money

Please can you ensure that Parentpay accounts are up to date ready for the end of term – particularly dinner money. If anyone is unsure if or what they owe please ask in the school office.

Please also ensure we have outstanding juice money before Friday.

In the last week

Class One learnt about shapes in maths and made reindeer food with Mrs Booth. They also learnt the Christmas story and retold it in their own words.

Class Two finished their space poems, made a maths question advent calendar and worked on multiplication.

Class Three completed their biographies in literacy. Stage 6 did problem solving in maths and stage 5 did statistics and data handling.

Carol Service – Wednesday 14th December at 3.30pm

We have been very kindly advised by Karen Storey we can park in the field outside the church for our carol service. Please can we request that you park against the wall facing outwards (if possible) to try and avoid any vehicles getting stuck!

The children will be walked to the church by the school staff leaving at approximately 3pm so please meet us up at church.

If your child is not coming to church we need to know this, as we will then leave them at school with a member of staff for you to collect them from there at the normal time of 3.15pm (or put them on the school bus).

Aladdin Trouble

We need to say a massive well done to all the children for their performances last week in Aladdin – you were all AMAZING and we have had such lovely positive feedback.

Thank you also to the parents, family and friends who supplied the costumes and made sure everyone was there for the evening performance.

A reminder about the Optional Maths Homework

For this half term we have decided to look at time and dates for our optional maths homework. As always you are free to create your own problems.

There is a £10 book voucher available for one lucky person who will be drawn at random from all those who bring some homework in. This is not a reflection of which homework is 'best' as we value efforts from everyone.

Within the topic of time and dates we have thought of the following: How many weeks are in? How many days/seconds until my birthday? How long would it take me to.....? What time of day do I go to school/eat my tea etc.?

All our school staff hope you
have a very happy Christmas
and wish you all the best for 2017.
