

### Thought for the week

*As long as you know God is for you it doesn't matter who is against you.*

*Romans 8:31*

### Lateness

We would greatly appreciate it if all parents could make an effort to ensure their children arrive at school for 8:45. We understand that some parents have children to drop in two different places at the same time but lateness across the school is increasing and becoming disruptive to those who are at school on time.

Thank you for your co-operation.

### Parents Evening

**There is no after school clubs on the first week back after half term due to Parents Evening.** These evenings will take place on Tuesday 28<sup>th</sup> February and Wednesday 1<sup>st</sup> March. Please see the attached letter for more information. Slips need to be returned to school by Thursday 16<sup>th</sup> February in order to allocate slots and send letters out before half term.

### Holiday activities outside school

We have been asked to let you know about a drama workshop for 7-11 year olds taking place on Monday 20<sup>th</sup> February at Hope Central. The cost is £3.50 from 2-4pm, further details are available from Alice Mapplebeck on 07799 465991 or [aliceruth31@gmail.com](mailto:aliceruth31@gmail.com)

There are some cricket Easter camps taking place at various Cricket Clubs for 8-12 year olds during the week of 17<sup>th</sup> – 21<sup>st</sup> April. Price is £15 per day, more details are available from [Haydon.jackson@hotmail.com](mailto:Haydon.jackson@hotmail.com)

### Music Lessons

There are no Mrs Standish keyboard and violin lessons this week. There are also no Mr Firth brass instrument lessons either. This week is a scheduled break before they start back after half term.

In the last week .....

Class One have finished and performed their puppet shows for literacy. Year 1 have been adding to 40 and Reception children have been doing capacity in maths.

Class Two have been learning about switches, making Mayan houses of clay and editing their non-chronological reports.

Class Three have finished their newsletter articles and are now doing journalist writing for a broadcast. They have been doing parallel and series electric circuits in science.

We have had to buy some new **step ladders** for school as our old ones are old enough to not be correctly labelled. We now don't know what to do with our old ones, so if anyone can find a use for them please let us know.
