Minster Trip – Class 3

Class 3 are going on a trip on Thursday to York Minster. I consent letter with further details will be issued tomorrow when Mrs Shephard is back in school.

Class 1 – Bird watching

We will be taking part in the RSPB's Big Bird Watch event. We will spend time observing and counting birds in Mrs Aspey's garden. We will send sheets home for the weekend so you can observe/record the birds in your own garden if you would like

Joke Box – thank you to everyone who has submitted jokes so far. Please can we ask for you to keep them coming, it would be lovely if every child could submit at least one joke each to be included in the FOCAS joke book. Just write them on a piece of paper and pop them in the box in the school office please.

Help required – 9th February PLEASE!!!!

Hopefully on the 9th February our temporary classroom for Class 1 will arrive. We are planning on taking the whole school for an educational trip out that day to the Castle Museum so that they are safely off site. We would be most grateful if anyone is free that day to volunteer to help us please. We need anyone who is DBS checked who could come along on the trip and help there. But also others who are free on that day who could help in school to move things, sort through things or even make cups of tea! Any offers of assistance would be very much appreciated! Please let the school office know if and how you could help.

Library Sheet

FOCAS and school are working together to create a library area in the top of Class 2. Attached is a sheet for ideas for this area. Please could you spend a little bit of time with your child completing this form with their ideas if they want to be included in the planning of our library. We would love it if the children could have an input into the final result of the space.

Fundraising Quiz – Friday 16th February – there is a quiz taking place in the Village hall on Friday 16th February from 7.30pm in aid of Village Hall funds. Entrance is £12 for a team of four which will include a sandwich supper. These are very fun nights run by Mike Williams and it would be great if we could have a few teams entering – entry forms are available from the school office. Thanks.
