

16th January 2017

Thought for the week

"God has no problems, only plans."
~~Corrie ten Boom~~

Please can we remind you that the Village Hall car park should be used when bringing and collecting your child from School.

Nativity boxes

We are still missing two of the small red nativity boxes from the Nativity bags sent home before Christmas. Please could you have a search to see if they are still in your houses, they are small so could have been easily missed. Thank you.

Census Day – 19th January 2017

Thursday of this week is Census Day across the County, this is when all Schools are required to give information about what is happening in school on a particular day, the funding our school receives is then based on this information given.

Please can we therefore ask that as many children as possible in KS1 (so Reception, Year 1 and Year 2 children) have a school lunch on that day. The lunch will be chicken and pasta followed by sponge pudding and custard.

Hand in hand we learn

Stars of the week

Class One – Lorena
Class Two – Niambh
Class Three – Myles

Writers of the week

Class One – William
Class Two – Alfie
Class Three – Evan

Cardboard Boxes

If anyone has any cardboard boxes spare that are in tact, please could we have them at school for Friday to make a Mayan temple! Thank you!

Calendar for the Week

Monday 16th January: SATS and drama club

Tuesday 10th January: Maths club, Mrs Standish keyboard and violin lessons

Wednesday 11th January: Film club, Forest Schools for Class 2 & 3, dance class for class 1, Mr Firth brass lessons

Thursday 12th January: Fencing and Music club, Census Day

Friday 13th January: Netball club, Mr Hardcastle guitar lessons, Class 2 dance class

Class 1 Bird Watching

Class 1 will be going to our Chair of Governors house, Mrs Aspey, who has kindly agreed for them to go and watch the birds that come into her garden. This will be next Monday, 23rd in the afternoon.

This week the children in.....

Class One did time sequencing and started working on addition and subtraction of numbers to twenty. We also had our first dance lessons and played in the snow!

Class Two pretended to be protons and neutrons as part of our electricity topic. We are also writing our own chapter of Charlie and the Chocolate Factory.

Class Three looked at the features of newspapers, did fractions and ratios in maths and did forest schools.

Forest Schools Maths Homework

Apologises that the Maths homework, linked to our Forest Schools sessions, was given out on Thursday and Friday last week not on Wednesday. We will try to make sure this goes out on a Wednesday ready to be handed back in the following Wednesday.
