Notices

Milk - if you would like to make changes (either to cancel a current milk order or request milk for your child) ready for next academic year, please can you let Mrs Towse know in the office this week.

School Dinner charges – please can we remind you that the cost of a school dinner will increase to £2.20 per day from September.

School shoes – we understand we are approaching the end of term and therefore do not expect anyone to go and buy new school shoes at this stage. However, please can we ask that when we return in September all children are in black proper school shoes that fasten. If the weather remains good and you still wish your child to wear sandals, please ensure they are sturdy and have a proper fastening for safety moving around school.

Parentpay – it would help greatly if all Parentpay accounts could be kept up to date as we need to begin the task of settling the accounts and setting the system up for next year. All dinners are correct as of this morning and should really be paid in advance. Many thanks.

Hats – As this lovely hot weather continues please can we ask you ensure your child has a hat in school every day – if anyone has any spare hats we can keep in school, that they would be willing to donate, we would much appreciate them. Thank you.

Swimming

This week is the last session of swimming lessons – there will be no swimming in the last week of term.

Romeo & Juliet Trip

We went to see Romeo and Juliet in the new Shakespearian Theatre in York. I liked it because it was open and only had half a roof so it felt more atmospheric,. The scenery was realistic so it made me feel more like we were in what a theatre would have been like in Shakespearian times. I understood the story because we had watched a cartoon with Mrs Shephard in school before we went. I really enjoyed it.
