

Thought for the week

“To love means loving the unlovable. To forgive means pardoning the unpardonable. Faith means believing the unbelievable. Hope means hoping when everything seems hopeless.”

Gilbert Keith Chesterton

School Paracetamol Procedure

We have now been given further guidance about the use of Paracetamol in school and are able to issue this to children as long as the following requirements are adhered to:

- Written parental consent must be obtained in advance.
- School must know the date and time the most recent dose was taken by the child / young person.
- The schools administration of medication record must be completed
- The child / young person’s parents must be informed as soon as is reasonably possible.
- The medicine must be age appropriate ie. Calpol Six Plus must not be given to children under 6.
- Follow NYCC guidance ‘supporting children and young people with medical conditions in school’
- Follow dosage instructions on the pack.
- Early years settings must follow any further guidance within their own frameworks.
- Pain relief must not be given following a head injury or accident without first seeking medical advice.

If you wish us to be able to administer Paracetamol to your child please fill in and return the attached medicine form.

We have a **missing size 24” cardigan** that we cannot find in school – please can you check to see if it has come home with someone else by mistake.

Year 6 Transition days

A reminder that the Year 6 transition days to Malton and Norton Secondary schools are next Tuesday and Wednesday.

Calendar for the Week

Monday 12th June: Pentecost worship led by Rev Walker, cricket and construction clubs
Tuesday 13th June: Swimming (whole school), gardening and sewing clubs
Wednesday 14th June: Year 6 Crucial Crew trip, Class 2 trip to Allerthorpe Lakeland Park and Year 3/4 sleepover, forest schools for Class 1, **NO AFTER SCHOOL CLUB**
Thursday 15th June: fencing and ‘Big sing’ clubs, brass lessons
Friday 9th June: Puzzle club, Mr Hardcastle guitar lessons

In the last week

Class One started to look at ‘The Magic Train ride’. We did measuring, built sandcastles and learnt about money.

Class Two looked at ‘The Last Castaway’ and learned about forces.

Class Three had an exciting if a little soggy time at Peat Rigg and held a general election for the whole school to vote.

After School Clubs

A reminder that cricket has changed from Wednesday to **Mondays** for the rest of this term. Clubs are now Monday: Construction and Cricket, Tuesday: Gardening and Sewing, Wednesday: Photography, Thursday: Fencing and ‘Big Sing’ rehearsals, Friday: Puzzle club

Village Picnic – A reminder that the Village Hall are holding a picnic on Wednesday 21st June at 6.30pm, all welcome.

Malton Show Art Competition – The deadline for entering this competition is Friday 23rd June. Entries should be no larger than A3 and the theme is ‘Tour De Yorkshire’.

FOCAS

The next FOCAS meeting will now be on Thursday 22nd June at 9am (after school drop off). We would love to see as many people there as possible to help plan events, the next one being sports day. I think at the moment we are struggling for members so any offers would be gratefully accepted. If anyone would like any information about FOCAS before this meeting please come into the office and see Mrs Towse, or speak to a current committee member who would be happy to help you.

Wednesday after school club this week

There will be no after school club this Wednesday, due to the number of staff required to accompany class 2 on their trip. If anyone needs childcare and cannot pick up until 4.15pm please confirm this to Mrs Towse as we can arrange for cover until 4.15pm but it will not be photography club. Sorry.

Peat Rigg by Myles and Matthew

We went to Peat Rigg from Monday to Wednesday last week. Our favourite part was abseiling down a 70 foot bridge and archery. We learnt to put on and use different equipment, like harnesses and archery bows. Peat Rigg was brilliant; we had lots of fun even in the rain!
