Class 2 trip to Allerthorpe

We went to Allerthorpe Lakeland Park last week. In groups we rotated round 3 activities; archery, sailing and bushcraft. Our most popular activity was the sailing but they were all so much fun. When we got back to school we made shelters, had tea and then went to bed very late.

Crucial Crew trip for Year 6

When we went to Crucial Crew we did different, amazing activities. The first one which was about a boy who was kicking a ball at the neighbour's window. My favourite scenario was when we looked at an accident; Matthew was an injured cyclist and we had to help him making sure we kept safe ourselves.
