

Thought of the week

*Let all that you do
be done in Love*

1 Corinthians 16:14

Mon – 4th June 2018

Hand in hand we learn

Calendar for the Week

Monday 4th June: Puzzle club

Tuesday 5th June: **Whole School** Swimming lessons, Biking club for Year 3/4, Computer club

Wednesday 6th June: Art club, Crucial Crew in afternoon for Year 6

Thursday 7th June: Fencing and construction club, FOCAS meeting 9am

Friday 8th June: Circuit training club

Clubs this half term

Clubs for after half term will remain the same, OTHER THAN biking club will change to Year 3 & 4 – please let Mrs Towse know if your child would like to do this club. For biking club your child will need to bring their own bike and helmet. There will sports fixtures arranged for Year 5 & 6 instead but not every week. Also please let Mrs Towse know if your child would like to change any clubs.

School Library

Our library has been transformed over half term and looks AMAZING!!! We hope you will all get chance to use it or have a look over this next half term. We would like to say a massive thank you to Charlotte Hardwick and Rachael Hodgson for all their hard work over the half term holiday, also to everyone else who contributed to making this such a fantastic space – we are SOOO grateful and pleased with the outcome!

Class 3 – Maths puzzles on a Tuesday morning

Mrs Palmer would like to invite parents (or grandparents or other relatives etc.) to come in to school every Tuesday morning (not Monday as originally stated) from 8.45am to 9.15am to take part in some maths puzzles with your children.

Year 6 – Children's University final check

Please can all Year 6 children bring their passport in next Monday morning for the final check. They will then be given their invites to attend the graduation ceremony at the Spa in Scarborough.

School Hoodies

Please can we have any hoodies orders for September by the 19th June.

Amsterdam

Please see separate letter for those involved.

GDPR Consent – Please can we have any remaining forms.

Year 5 taster day at Malton School – we have realised that the letter issued before half term was a tad confusing – sorry! Mrs Towse thought it was the consent letter for the taster day which the children are attending on 28th June, but it appears it isn't and is only a letter about their open day on 3rd July. So to avoid any doubt, year 5 will be attending Malton School on 28th June as part of their normal school day (consent letter to follow) and then Malton School are issuing a separate invite directly to you for their open day.

SEND feedback requested

Please find attached a link to the formal consultation for the strategic plan for SEND. Once finalised, this will change provision for children with SEND, including how the EMS's run and what support they will offer. Please take time to read and feedback. There is an online survey and also meetings for headteachers, school staff and parents.
www.northyorks.gov.uk/sendplan

School Meal price from September

The cost of School dinners will be increasing from September to £2.20 per day. School has already had our costs increased but we are subsidising this until September from School funds. This is the first increase we have made for many years and are sad we have to do so, but we cannot continue to cover the additional costs in school. Please note that other schools are having to increase their price by more than 10p so we hope you can see we really are trying to keep price at a minimum. In future we may have to make further increases but we will keep you fully informed of any developments.
