In the last week of term....

Class One have looked at volume, capacity and money by playing shops. We have also made a class book about the animals on Captain Cook's travels.

Class Two wrote Captain Cook poetry and practised for the music concert.

Class Three campaigned for their political parties ready for the general election and also practised for the music concert.

After School Clubs

After school clubs will be on this week, but we cannot guarantee what they will be. This is due to the Class 3 residential and therefore rearranged staffing.
