

Thought of the week

‘Remember to look at the stars and not down at your feet. Try to make sense of what you see and wonder about what made the universe exist. Be curious. And however difficult life may seem, there is always something you can do and succeed at. It matters that you just don’t give up.’ Stephen Hawking

Peat Rigg – Year 3 & 4

A separate letter will follow this week to all children attending this trip.

Swimming

All children will begin their swimming lessons on the Tuesday after Easter. Please ensure consent letters are returned this week. Many thanks.

Parental Questionnaires

If there are any more parental questionnaires to be returned following your parent’s evening appointment, please can we have those back this week. Thank you.

Young Voices DVD

We have received our school copy of the Young Voices concert we attended. If anyone would like to borrow this to watch they are more than welcome. Please let Mrs Towse know in the office and we will start a list. Please can we ask that you are mindful that others also wish to see this and return it back to school as quickly as you can. Thank you.

Year 5 Taster Day at Norton College

I really enjoyed the taster day, it was good to have a trip to see what the school is like to help decide where I am going. First we learnt french, and what the french alphabet is. Then we did a science lessons where we did an experiment to find out which drink was the fizziest between cola, water and lemonade. After lunch we went to music and learnt some African songs. Finally we did zumba in the sports hall, it was exhausting! By Charlie

Class 3 Highfive Netball Tournament

On Wednesday 14th March class 3 went to a netball tournament. We were split into 3 teams. I was in C team; we played some matches against other schools and then they announced the winners – our team won! By Evan

Class 1 Open Afternoon – Advance notice that there will be an open afternoon on Friday 27th April.
