

Thought for the week

'Be joyful in hope, patient in affliction, faithful in prayer.' Romans 12:12

In the last week.....

Class 1 went to Scampston Hall to do some bulb planting, then the children planted their own seeds in their decorated pots and started non fiction texts.

Class 2 continued writing fairy tales, have been doing quick fire maths questions on a morning and made switches in science.

Class 3 learnt about Rationing in World War Two, and studied decimals, mean, median and mode in maths.

Red Nose Day

Red Nose Day is this Friday (24th). Children are allowed to wear non uniform this day for a suggested donation of £1 which we will collect and send to the charity together with our red nose sales. Many thanks.

Beetle Drive

On Thursday next week (30th) Sarah Simpson is running a Beetle Drive to raise money for school funds. The event will start at 6pm in the Village Hall (doors will open before) and we would love as many people as possible to come along and take part – it should be a very fun activity to do with your children. **We would also like to ask for any donations of prizes please.** Could you bring them to the school office this week to give Sarah chance to sort these ready. Thank you very much.

Netball at Snainton School match report

We went to Snainton Primary School after school to play netball. It was our first netball match and we really enjoyed it. We played very well and managed to win. Thank you to the parents who helped with the transport.

Friday 24th March: Netball club, Mr Hardcastle guitar lessons, RED NOSE DAY

Goldilocks report

On Friday night after school we went on a trip to see Goldilocks. We went on a bus and it was raining. Goldilocks was a ballet. Daddy bear was my favourite dancer as he was funny and he got a table cloth on his head so he couldn't see where he was going!

Scampston Hall Class 1 trip report

We went to Scampston Hall on a bus. First we designed a picture with a circle and a cross in that Mrs Thompson said was very good and then we planted some bulbs in the design of our picture. It started to rain while we were planting the bulbs and the lady said this always happens when she is planting bulbs!

Netball at Scarborough College match report

We had great fun playing netball at Scarborough college. The children were very friendly and even though we didn't win we kept on trying and didn't get moody that we didn't score, which was really good.
