

Thought for the week

If God brings you to it,
he will bring you through it.

SATs

Next week will be Year Six SATs week. We wish all of the children every success and hope that they can remain calm and all their hard work pays off.

Reading Assessment

We have been randomly selected as a school by the government to trial some future Year Two reading SATs papers and these will be administered on Wednesday and Thursday this week. Unfortunately we have no say in this but I am sure the Year Two children will work as hard as they can. They are only 30 minutes and 40 minutes long and we will not find out the children's results.

Sainsburys Active Kids Vouchers – Last week was the last week that these vouchers were being handed out in stores. Please can you bring in any remaining vouchers you may have been able to collect and we can then place our order. Thanks.

Biathlon on 17th May for Year 4 – 6

We have been invited to enter our children in the Yorkshire Schools Biathlon on 17th May at Ryedale Swimming pool and then the Recreational field in Pickering. We will not be running a trip to this but if your child would like to attend and you are able to accompany them please let Mrs Towse know and she will be able to enter them. However, please be aware that this clashes with the Year 5 Taster day at Norton College. It would be great if we could have some children attending to represent Settrington!

Hand in hand we learn

Class 3

Please can we remind all Class 3 children to bring wellies tomorrow (Wednesday).

Reading Challenge

Well done to everyone for continuing with the reading challenge; we are so pleased to be handing out so many certificates! Some children have now achieved their platinum certificate so we have added more awards! Keep up the good work!

Tour De Yorkshire

On Friday we walked a long way through the forest to Norton to watch the Tour De Yorkshire. My favourite bit was the cars and motorbikes going past really fast! Then we saw all the bikes go racing by, it was great fun and stayed sunny which was good. Then I walked back to school again with Mrs Palmer. It was a long way but I wasn't tired and really enjoyed it.

Malton School Art Competition

Malton School are running an Art competition with the theme of the 'Tour De Yorkshire'. We will try to get time to do this in school but if anyone would like to get creating at home that would be great. ALL entries are exhibited at Malton Show on 2nd July and the closing date is 23rd June. Please bring any entries in to the school office and we will ensure they get to Malton School.

All Stars Cricket

We have been asked by Matthew (the Cricket Coach who comes into school) if we can please promote All Stars Cricket. www.allstarscricket.co.uk is a new initiative from ECB to get more children playing cricket regardless of previous experience. All sessions are fun and fit perfectly with the age and stage of the children. The two closest clubs to Settrington taking part are Malton & Old Malton Cricket club and Westow Cricket Club.
