

Thought of the week

‘For I know the plans I have for you,’ declares the LORD, ‘plans to prosper you and not to harm you, plans to give you hope and a future.’
Jeremiah 29:11

Building Update

It has been a while since we are able to provide you with any update on the school building as there has been a hold up due to the agreement over the electrics on adjoining land. However, we are expecting some works to begin over half term on this and are then hopeful that the demolition of the existing building will begin after that.

Clubs after half term

Clubs for after half term will remain the same, OTHER THAN biking club will change to Year 3 & 4 – please let Mrs Towse know if your child would like to do this club. For biking club your child will need to bring their own bike and helmet. There will sports fixtures arranged for Year 5 & 6 instead but not every week.

GDPR Consent

Please can we remind all parents to ensure the two forms relating to GDPR are returned. There may have been some confusion when it comes to confirming the methods of communication to be authorised. We expect many parents have circled their preferred methods of communication however in terms of GDPR, if any options are NOT circled then we can no longer use these methods to contact you. Please wherever possible can you therefore ensure all methods are circled. If it is your wish that you are not contacted in a certain way, that is fine, but we just need to be sure you understand this is what happens. Many thanks.

Please see attached list of dates known up to the end of this academic year.

Mon – 21st May 2018

Hand in hand we learn

Stars of the week

Class One – Isaac P
Class Two – Frankie
Class Three – Tommy
Writers of the week

Class One – Coryn & Pip
Class Two – Ollie W
Class Three – Liliana

Class 1 visit from Scampston Hall

A lady from Scampston Hall came to our classroom. We all got a plant pot and two seeds. We had to make a hole in the soil and put the seeds in, then we covered the seeds over and gave them lots of water. I think our seeds will grow into really tall plants.

Calendar for the Week

Monday 21st May: Puzzle club
Tuesday 22nd May: Swimming lessons, Biking club, Computer club, Year 3 & 4 rounders against Rillington here 3.15pm,
Wednesday 23rd May: Year 3 & 4 gymnastics at Malton School, Art club, Governor meeting 6.15pm
Thursday 24th May: Fencing and construction club
Friday 25th May: Circuit training club, FOCAS kindly having a book sort out ready for the library at 9am, any help greatly appreciated, LAST DAY OF HALF TERM back Monday 4th June

Class 3 – Maths puzzles on a Monday morning

Mrs Palmer would like to invite parents (or grandparents or other relatives etc.) to come in to school every Monday morning after half term from 8.45am to 9.15am to take part in some maths puzzles with your children for this coming half term.

School Hoodies

Please remember to order any hoodies you may need for September in the school office soon.

Swimming

No SATS have finished, Year 6 will now join us swimming every week.

Year 3 & 4 cricket against Rillington

Last week we played cricket against Rillington School. I learnt that if you hit the ball out of the pitch and it doesn't touch the floor then you score 6 points. I was very pleased that I managed to do this once and score 6 points for my team. I enjoyed batting better than fielding.

Settrington's Royal Wedding

On Friday we all joined together on the school field to celebrate our very own 'Royal Wedding'. The children acted out a wedding and then we all celebrated with a Royal platter lunch of cold meats, salad and new potatoes followed by very yummy cream scones. It was great fun and the children were very enthusiastic wedding guests!

The 'decorate a crown' competition organised by FOCAS was also a great success and there were some fantastic entries – thank you to all who took part. £32 was raised and will be put to good use in our library. Thank you!! The winners (picked by a very unsuspecting visitor to our school as an independent judge!) were: Class 1 – Jayden, Class 2 – Brydie, Class 3 – Chloe, Preschool - Grace

Year 6 SATS

Last week Year 6 completed their KS2 SATS. We are very proud of them for the calm, collected and positive manner in which they approached this experience. Well done to each and every one of you; regardless of the actual scores, you are all amazing in our eyes!

Year 5 taster day at Norton College

Last week all the Year 5 children went to Norton College, we were the first school to arrive. We went to English and were given sweets that we had to describe using our senses – when we had done this we got to eat them! After English, we went to Computing and Business. In this lesson we had to write clear instructions on how to make a jam sandwich and then some Year 9 students were the robots following our instructions. It was very funny watching them follow our instructions and resulted in some very random sandwiches!! In Art we were painting buildings with oils and then went over them with black water paints. Finally we did P.E. lessons at the end of the day. It was a really good day and gave us a good idea of what life is like at Secondary School.
