

Thoughts of the week

“Sometimes you win, sometimes you lose, but you learn from it”
Myles

FOCAS

Bags2school – the collection is THIS Wednesday in the morning, please bring any bags of unwanted clothing into school on or before Wednesday morning please. Many thanks for your help.

Christmas Recipe Book – FOCAS are looking for friends and family of the school to send in their favourite festive recipes. This can include anything from starters, mains, deserts, jams, pickles or a favourite bake, including children’s favourites too. We will then make all these recipes into a school Christmas recipe book to go on sale throughout December. All we need from you is your recipe and the name of who is submitting it (child or adult) by **17th November please**. You can pop these into the school office or email it to charlottehardwick1@outlook.com Details of when and where the recipe book will be on sale will follow.

Facebook page – FOCAS now have a Facebook page. We hope this will be an easy way for people to keep up to date with fundraising progress and also get involved. If you would like to join simply search for ‘FOCAS news and events’ and join from there. Thank you.

Children’s University

Mrs Booth will be in school on Wednesday if you would like to send in your child’s passbooks for stamping. We are also getting further clarification on what can or can’t be counted and hope to then be in a position to issue some guidance to you. Hopefully this will ensure all the activities your children currently do anyway can be counted towards learning hours. In the meantime just write down anything you think might count just in case!

Monday 6th Nov 2017

Hand in hand we learn

Stars of the week

Class One – Jayden

Wednesday 8th Nov: Brass lessons, Forest school lesson for Class 1, Cricket club until 5pm, Children’s University passbook stamping if required, Yr 3&4 cross country, Yr 5&6 hockey, bags2school collection
Thursday 9th Nov: Cooking, Fencing clubs, mathematician award for four Yr 6
Friday 10th Nov: Violin lessons, Puzzle club, flu vaccinations for Receptions to Year 4 who have completed consent

Class 1 forest schools

Please ensure your child has extra layers for forest schools now the weather is changing. Please can girls who may come to school in dresses or skirts with tights also have joggers to go over the top rather than just tights and their waterproofs, as they may be too chilly now. Thank you!

Year 6 bikeability

On the 2nd and 3rd of November. Year 6 went on the Bikeability course. We learnt how to ride like a proper cyclist and how to stay safe on the roads. It was really great fun for all of us, even though it was a little bit chilly!

Recycling competition winner!

Norton Santa Fun Run

We have been asked to advertise the fun run in Norton on Sunday 19th November, entry is £6 for children which includes a santa suit, medal and certificate. Entry forms are available from Norton Town Council offices, Yorkshire Building Society or www.ryedalespecialfamilies.org.uk.

Thank you to everyone who attended parent’s evening and completed and returned the parental questionnaires, just one more night on Tuesday for Class 2. If there are any further questionnaires still to be returned, we would be very grateful to have these in by the end of this week.
