

### Thoughts of the week

“Never blame anybody else for your anger”

Faye

### Bonfire Lunch Special

On Friday we are having a special ‘Bonfire’ lunch so there is a change to the usual menu. Miss Ellis is serving sausages in a bun with chips and beans followed by chocolate krispie cake.

Also, as from today the children have a choice of jacket potatoes with cheese option if they would prefer. If your child would like this option on any particular day they need to let their class teacher or Mrs Towse know at registration.

### Terrington Maths Workshop

Before half term we went on a maths workshop where we learnt how to design robots using maths. We had a lot of fun learning about making wheels and angles with maths.
