'I can do all things through Christ who strengthens me'

### Notices

**Parentpay** – If anyone needs any help setting this up please let us know. There are still a few outstanding payments for school trips and milk from last year.

School dinners at £2.20 per day should be paid in advance and your account will be reconciled each Friday with the dinners taken during that week.

**Slips** – please can you ensure that return slips are given in at the school office rather than putting it book bags if at all possible please (particularly in Class 1). Attached are slips for upcoming trips to the Milton Room and also annual consent for school trips (except for reception parents who have recently completed this).

**Flu inoculations** – can we remind parents of children in Reception to Year 5 to ensure you have consented to your child receiving the flu inoculation should you wish this to be the case.

**Nut Free School** – please can we highlight the fact that we are a nut free school. Please ensure your child does not bring nuts in their pack lunch or as a snack into school. Please note this does not apply to products that say 'may contain nuts'.

**Parking** – We have limited space in the normal village hall carpark at the moment due the builders compound. Please park considerately; close up to each other, along the edge of the grass, allowing access for people to get on and off the grass.
