

Thought of the week

"let us not love in word or talk but in deed and in truth"

1 John 3:18

School Photographs

Richard of Impressions Photography will be coming into school on Tuesday 2nd October to take individual child and/or family photographs. Please return the attached form stating which photographs you would like taken. Please note you are under no obligations to buy them.

Family photographs which include siblings not attending the school will be taken first from 8.30am.

Lunch Options

The sandwich option has now been stopped and children can choose Jacket Potato as an alternative to the hot lunch option. The fillings are Cheese, Beans and Tuna and children can choose up to 2 of these options.

Please also remember the change to the lunch menu for every Wednesday of Week 2 where it is now sausage roll with mash and beans instead of Diced Pork with Gravy.

Reading Books Class 1

Mrs Thompson will be leaving a box outside Class One where you can leave your child's reading book if you think it needs changing, rather than leaving them in book bags which may not be checked every day. Your child's book will of course be changed at other times if required when reading to staff and not just when left in the box, usually on a Friday.

Swimming

Whole school swimming lessons will take place again in the Summer Term but just to give you advance notice that this will not include children in class 3 who can swim 25m confidently.

Mon – 24th Sept 2018

Hand in hand we learn

Stars of the week

Class One – Ethan.T

Class Two – Isaac

Class Three – Daisy

Writers of the week

Class One – James.B

Thursday 27th Sept: Children's University Club

Friday 28th Sept: Violin & Keyboard lessons, Macmillan coffee afternoon, Circuit Training

Notices

FOCAS Events – FOCAS are running a MacMillan Coffee afternoon this Friday 28th September from 2.30pm. If you would like to provide some baking for this it would be much appreciated. Please drop baking into the office by Friday morning.

Dinners/Milk – Just to remind parents that the government free school dinner's scheme stops once your child is in Year 3. School dinners should then be paid in advance at £2.20 per day/£11.00 per week.

Milk is also to be paid for once your child turns 5. We will usually contact you beforehand to find out whether you wish for your child's milk to continue, but in the meantime if you wish to make any changes please call in at the office.

Lost Property – Please can parents check that all uniform you have at home does belong to your child. Some children are missing items that we cannot find in school. Please ensure ALL uniform is clearly labelled with your child's name.

Census Day – Thursday 4th October is Census Day. Please could as many children as possible have school dinners on this day, particularly those in Key Stage 1. Funding for next year is based on the figures taken that day.
