

### Advent Bags

If you would like to send us any photos of your Advent activities that would be great. Please email to [njesse@settrington.n-yorks.sch.uk](mailto:njesse@settrington.n-yorks.sch.uk)

### What does it mean to be nurturing?

#### **Principle 5: All behaviour is communication**

We get to know all of our children and we understand their feelings can be shown in their behaviour. We understand these feelings and help to work through them.

### Afterschool Clubs

Tuesday afterschool club with Matty Hood will not be Football, it will be bocce (ball game!).

Wednesday afterschool club will not be Dodgeball as the village hall will be set up for the production. Matty will still carry out activities however it would be best only for those who really need childcare.

### Forest Schools

There will **not** be a Forest Schools session next week for Class 2 due to a busy day with the Production in the afternoon/evening.

### Christmas Production

Please let us know by Monday if you do not require your full ticket allocation of tickets to the Christmas Production, or if you require extra, and then we can do our best to reallocate places.

Class 1 & 2 children may be taken home after their afternoon performance (1.45pm) but equally can stay as normal until 3.15. **There will not be an afterschool club.** Key Stage 1 children should be back at the village hall by 5pm and Key Stage 2 children back at school by 6pm.

### Christmas Jumper Day

Save The Children Christmas Jumper day will be Friday 9<sup>th</sup> Dec, suggested donation £1. A festive colour is sufficient, please do not go out and buy a jumper especially. This will be full non-uniform.

### Calpol Requests

While we are happy to administer Calpol we have been advised that we should only hold enough in school for emergencies (when someone has become unwell during the day). If you have had to give your child Calpol in the morning and expect them to need more during the day please provide your own directly to the office in a named bottle. Thanks

Well Done Callum Hodgson on raising £359 for Teenage Cancer Trust.
