

Jesus says "Stay joined to me and let my teachings become part of you. Then you can pray for whatever you want, and your prayer will be answered. When you become fruitful disciples of mine, my Father will be honoured."

John 15:7-8

The Rhythm of Life framework that churches across the Diocese of York are using, helps all of us to become more like Jesus, by suggesting ideas for actions and activities that we can choose to commit to doing. Please see attachment for some things that you could do or visit <https://dioceseofyork.org.uk/living-christs-story/becoming-more-like-christ/diocesan-rhythm-of-life/>

Clubs in September

During the first week back there will be breakfast club **only**. Please let us know beforehand if you think you will need this by emailing the office. Afterschool clubs will commence in the second week back however if you need childcare during that first week please let us know and as always, we will try to accommodate this.

School Dinners

The cost of school dinners to parents will increase to £2.75 from September 2023. The actual cost to school will be £3.26 and so we will need to increase the price further towards the end of the calendar year. School are already subsidising **all** school meals (paid, Free School Meals, and Universally Funded KS1 Meals) so this has quite an impact on our school budget. Thank you for understanding.
