

"Dear friends, let us love one another, for love comes from God. Everyone who loves has been born of God and knows God." 1 John 4:7

Principles of Nurture

At Settrington, we strive to be a Nurturing school where the wellbeing, welfare, growth and the achievement of our children is at the heart of everything we do. Please see attached for further information about the 6 principles of Nurture.

Pop-up Library

This is on Wednesday. Please remember to bring in your books.

Further to our Privacy Notice we are obliged to let you know that we now use a platform called Boxall Profile and as such information is shared with them. Please speak to the office for further information.

Year 6 Growing up Talk

During the next week children in Year 6 will be involved in a talk about growing up, puberty and the emotional changes they may feel. This talk will be conducted by the Year 6 teachers, and the aim is to provide an informative and supportive approach to the children. The boys and girls will have separate sessions dealing with the issues specifically affecting them.

Please note that this is part of the curriculum, and as such all Year 6 children will participate in this talk. If you do not want your child to take part, you will need to send a written request to school stating the reasons why you do not want your child to be included.

Mrs Hodgson

Unfortunately Mrs Hodgson has been unable to work in school during recent months. She has made the difficult decision to retire from school and will not be returning to work. We are sure you will join us in wishing her all the very best for the future.

"After working at the school for nearly 25 years it's with a heavy heart I've had to come to this decision. I have enjoyed my years at Settrington and life is going to feel very different. I'll definitely be in and out to see everyone."
Mrs Hodgson
