

'He has made everything beautiful in its time' Ecclesiastes 3:11
Our school-wide topic this term is 'Time' and will be explored through many areas of the curriculum.

Welcome Back

It has been lovely to welcome the children back to school this week and hear all about the Christmas Break.

A few reminders:

- School hours are 8.45am – 3.15pm and lessons start promptly so please ensure children are at school on time. Children may enter school when the gate is staffed from 8.35am.
- Breakfast club runs from 8.00pm – 8.40pm at £1.50 per session and after-school clubs will start again next week from 3.15pm-4.15pm. Please return the afterschool consent slip in order for your child to attend the clubs. **Sign Language club is now full.**
- Please ensure all uniform is clearly named. You might like to order labels from www.stickins.co.uk and use school code 17687 in order for school to receive some commission.
- Mobile phones, Smart watches, and other communication devices should not be kept on children in school. If your child does need to bring in a phone please ensure this is handed into the office on a morning.
- Please ensure ParentPay is up to date ready for this new term. It is really good to get in the habit of paying upfront for school meals. When children move to secondary school they will not be able to purchase food without credit on their account.

Pop-up Library

The first session for children to take out books will be next week on Tuesday, rather than the usual Wednesday. Most children will not have books to return but if you were contacted after the last session about outstanding books please ensure these are returned thank you.

Census Day

Thursday is Census Day. It is helpful for as many as possible to have school dinners on this day as lunch numbers are used to determine school funding.

Cello Lessons

These will now move to a Thursday morning due to some upcoming activities on the current Tuesday slot.
