Well done to all the children who decorated flags, our 'beach' looked wonderful with all their talent on show and our voters at the fair had a tricky time choosing!

Class 4 General Election

On Thursday 4th July Class 4 and 3 took part in our very own General Election. Class 4 created 4 "political" parties thinking about issues that were important to them.

The parties were The Healthy Helpers, The Love Lives Party, The Piggy Bankers and The Wild World Party. They elected leaders and deputies and worked in teams to create their manifestos, logos, slogans and posters to persuade children in key stage two to vote for them.

They held a hustings events where they explained their ideas and answered questions from the electorate. Each child then went to the polling station to cast their vote on the ballot paper and post it in the ballot box. Votes were counted and verified. It was a very close contest but the winners were declared to be.... The Love Lives party! Well done to them!

It was incredible to see what thoughtful children we have at Settrington, they had very clear ideas about what they saw as important issues for their community - locally, nationally and globally. Great for them to experience democracy in action.
