School Photographs

The photographer will be coming into school next Friday morning to take school photo's. There has been a letter sent home today on which you can let us know if you would like family photos to be taken too, including children outside of our school as well as those that are in school together. Please ensure this letter is returned early next week, by Wednesday at the latest so that we can prepare for Friday. If you would like to bring in children from outside of our school then these photos will be taken at 8.30am, all other photos will be taken during school hours.

Damage to Forest

We were saddened to find that the forest which we use for Forest Schools has been vandalised over the last week. Please do let us know if you have seen anything untoward and we appreciate you reminding people in the village that this is private land and should not be visited, even if the intention is only to walk and play in there.

What is the 100 Club? A type of lottery, drawn each month from October to July. Every time the lottery is drawn, a percentage of the takings are given to FOCAS, with the rest being used for prizes.

What could I win? The current monthly prizes are as follows*:

1st prize - £30

2nd prize - £20

3rd prize - £10

**If more numbers are sold, the prizes will be increased. Likewise if less are sold they would be decreased. (i.e. for 200 numbers the prizes would be £100, £60 & £40, and for 50 numbers they would be £25, £15, £10).*

How much does it cost? The cost will be £2 per number per month, paid in advance for the year (£20). There is no limit to the number of entries per person and the more numbers you buy, the greater your chances of winning. You can pay in cash at the school office or via online banking. All details are on the attached form or email focas-settrington@outlook.com for more information.
