Class 1 Let's Learn Together

Parents and carers of children in Class 1 are warmly invited to stay and learn together with their child on a Tuesday morning this half term, straight after morning registration.

TUESDAY 28th JANUARY – AFTERSCHOOL CLUB

Unfortunately, there will NOT be an afterschool club on Tuesday 28th January due to all staff in school attending training. We apologise for any inconvenience.

Outdoor Play Equipment

We would really like to replace our trim-trail on the school playing field however this is a substantial investment. If anyone is aware of funding opportunities or local businesses that might be interested in supporting us please let the office know.

Diary Dates Spring Term

Illnesses & Attendance

At this time of year, we can expect to see a rise in seasonal viruses and infections such as COVID-19, flu and norovirus. Under current national guidance parents are encouraged to send children to school if they have mild symptoms in order to maintain attendance. If your child is presenting with sickness, we thank you for being so diligent in keeping them at home. We have a medically compromised pupil in school and any sickness passed on can result in emergency hospitalisation so this is even more important than normal. Thank you

May we also remind you that if you are aware that your child is a little under the weather and may require paracetamol during the school day it is helpful if you can supply this. School Paracetamol is for emergency and unexpected illness during the school day.
