

"Be strong and courageous! Do not be afraid or discouraged. For the Lord your God is with you wherever you go." Joshua 1:9

Attendance

We are pleased to have achieved 98% attendance in school this week, this is fantastic, thank you! 98% is considered excellent and offers children the best chance of success in their education.

Pancake Flip

We have been absolutely blown away by the support from families with the Pancake Flip. The total money raised as of today is **£2917.90** !! If there are any amounts still outstanding, please can these be brought in on Monday, even if you still have money to come in from elsewhere, please bring us anything you already have on Monday. Thank you for your support with all of this.

Car Safety

Drivers and passengers who fail to wear seat belts in the front and back of vehicles are breaking the law. In addition, children up to 12 years old or up to 135cm in height are also required to use a child car seat. We have been asked to urge parents to take note of this information, which is the law and must be adhered to. This is being monitored closely by local authorities.

Wellbeing

We would also like to share the flyer via the link below about an NHS initiative providing information and support for children and young people with sensory processing differences:

[NHS Let's Make Sense Together](https://www.nhs.uk/conditions/sensory-processing-disorder/)

The BBC have a fantastic facility called Tiny Happy People, with lots of advice, activities, and support for parents. There are a whole host of articles about Parental Mental Health & Wellbeing which are really interesting. Please visit:
