FOCAS Thanks

We've now counted up all the summer fair takings and raffle monies and are thrilled to say we made an awesome **£959!**

This year, FOCAS have been able to allocate £200 every half term help to support school, that has been used for experiences, projects, classroom equipment and more. We really can't do this without your support and with a total like we raised at this year's fair, we can't wait to see what we can do next year! So, a very big thank you to everyone! All raffle winners should all been notified that prizes are ready for collection in the office (attached winners list). FOCAS

Class 4 DT Project

It's been another busy week in class 4. To finish off our science and DT this term we created working models to retell the story of the Lighthouse Keepers Lunch to perform to the children in class 1 and 2. They had to create working lighthouses, pulleys and levers and make the whole thing look appealing and interesting for their audience. They then performed the stories to groups of children from Key Stage one who gave them lots of positive and constructive feedback.

Drama Club

Drama Club with Mrs McDonald of Generate Theatre Company has been extremely popular, the children have had a great time after school every Thursday. Thank you Mrs McDonald.

Class 4 also enjoyed their last Forest Schools Session
