

'God also said to Abraham, "As for Sarai your wife, you are no longer to call her Sarai; her name will be Sarah. I will bless her and will surely give you a son by her. I will bless her so that she will be the mother of nations; kings of peoples will come from her."

Genesis 17:15-16

### Harvest Festival

This will be on Wednesday 23<sup>rd</sup> October 1.30pm at Church followed by refreshments, also at the Church.

Children will be brought back to school by staff for you to collect after your cup of tea!

### My Journey to Space

Mrs Hardwick and her family recently went to meet Tim Peake during his 'My Journey To Space' tour. On behalf of our school Grace asked "What would your best advice be to any budding Astronauts?"

Tim Peake responded to say "Think about what you want to become before you become an astronaut because nobody leaves school and joins a space agency straight away, they all come from other jobs first. It's great to have specific skills like science and maths but be passionate about what you do and display good character and personality. It's great to demonstrate good skills like communication, leadership, and teamwork too. Anything that you can do in your life to build those skills like scouts, guides, music & arts clubs all help you become a good rounded person."

### Product Safety Alert

We have been asked to notify parents of a safety alert for a product commonly known as 'water beads'. When swallowed these beads can expand post-ingestion causing a blockage in the digestive tract.

There are also investigations ongoing into 'baby personal protective equipment' type products claiming to offer head protection in the event of a fall such as
