

Hand in hand we learn

Our School Governors

Mr Charles McKain-Bremner – Parent Governor – Co-Chair

Mr McKain-Bremner lives in Scagglethorpe with his wife Rebecca, his Mother-in-Law Angela, and two children, still in full time secondary education. Charles is a cavalry officer in the British Army and has spent much of his career overseas in Iraq, Afghanistan, Germany, Ukraine, and the USA.

Charles is the link governor for health and safety due to his background in risk and co-chair of the Governors.

When not working Charles enjoys cooking, building work to stop his home falling down, and watching classic sci-fi TV with his children.

Mrs Caryl Shephard – Staff Governor

Mrs Shephard was appointed Head Teacher at Settrington All Saints' in January 2025 and also continues to teach in class for part of the week. Her passion is music and she is music co-ordinator in the school and leads English.

As Head Teacher she serves on all the committees and works closely with all the governors.

At home, Caryl enjoys spending time with her husband and twin daughters and doing activities with them.

Mrs Rebecca England – Staff Governor

Mrs England teaches Year 5 and 6 in our Class 4 and is an experienced teacher. Her passion is science and particularly anything related to rocks! Rebecca serves on the Pupil Progress Committee.

At home, Rebecca enjoys spending time with her husband and four children, cooking, baking and going for long walks with their dogs.

Mrs Helen Smith – LA Governor – Co-Chair

As the daughter of two teachers and the granddaughter of a Headteacher, Helen feels as if she has been involved in education all her life. She did however have a previous 10-year career in financial services where she specialised in project management, change management and PR.

It was whilst volunteering as a parent helper at her children's school that she had her 'Damascene' moment and decided to train as a primary school teacher. She was appointed Headteacher of her current 2 form entry school in Hertfordshire in 2017 and has subsequently taken it from an inadequate to a good Ofsted judgement and

Hand in hand we learn

through the process of academisation. She is also on the Strategic Board of 'Envision' a partnership of 21 schools from the Bishop's Stortford area who work collaboratively together to deliver school to school support.

Helen visits Settrington regularly and intends to do so even more frequently when retirement eventually comes. She was appointed to the board of Settrington Primary School as an LA governor in April 2022 and chairs the Pupil Progress Committee.

Rev Cate Turner – Foundation Governor – Co-Chair

Revd Cate Turner is the Rector of our local parish of West Buckrose, a role to which she was appointed in August 2023. She moved to North Yorkshire from Norfolk, but wasn't a complete stranger to the area as she has family roots locally and has visited regularly from childhood. Prior to becoming a priest, Cate spent many years working in human resources and training and development. She has worked in the retail sector, for the health service and for a large global company. She also ran her own HR business for a number of years working in the UK and abroad. She has two adult sons who she and her husband Iain adopted as small children.

Dr Louise Hampson – Foundation Governor

Dr Louise Hampson was appointed by the diocese as a foundation governor in April 2024. She has lived in the parish of West Buckrose for 30 years, having moved back to the ancestral homelands after growing up in London. She works at the University of York as Deputy Director of The Centre for the Study of Christianity & Culture, which works with churches and cathedrals across the country. She previously worked as Head of Collections at York Minster for 14 years and is a professional archivist as well as specialising in stained glass research. She was married for 35 years until her husband's untimely death in 2023 and has two adopted children who are (apparently) all grown up, as well as four cats who are not!

Monique Crockett – Parent Governor

Mrs Crockett joined our governing board in September 2025 as our Parent Governor. She lives locally with her husband and three children, who are in pre-school, primary and secondary education.

She has a successful career in financial services industry, bringing strong skills in strategic thinking, communication, data analysis and collaborative decision-making. Outside of work, she enjoys staying active with her family, often found supporting them at rugby, football or cricket matches, running, or taking part in other activities together. She also has a keen interest in photography and believes that, in a world where you can be anything, it is always best to be kind.
