

Hebrews 13:14 – “For here we have no lasting city, but we seek the city that is to come.”

Attendance this week was an 95.7% for the week, which is nearly at our 96% target. Regular school attendance is essential for children to build strong foundations in learning, develop confidence and friendships, and make the most of every opportunity to succeed. Every day missed can lead to gaps in understanding.

Beacon club – this is just a reminder that Beacon club up till either 5.30pm or 6pm is available, if you want to book, please let us know.

This week.....

Class 1 have celebrated earth day in forest school by making seed bombs to bring home – please let us know how well they grow at home. In maths they have started exploring 3D shapes.
Class 2 started to learn about multiplication and division in maths. They have also planted seeds in class to grow sweetcorn and cress.
Class 3 have started their new sketching topic learning about shading. In history they have started to learn about the Ancient Egyptians.
Class 4 in their art lessons have been exploring the work of Impressionist painters and creating their own works in that style. In maths they have been looking at ratio, which has helped them in sizing up their paintings.

Pop-up library

Just a little reminder to please bring library books back in on Monday 27th April, when the lovely library team will be visiting to check them in and help everyone choose a new book.
If you've had an overdue email this week, please don't worry, this is just because of the Easter break, and no fines will be given. Just bring the books in on Monday. Thanks

Safeguarding

The talk PANTS campaign was introduced by the NSPCC to help children understand that their body belongs to them, and they should tell someone they trust if anything makes them feel upset or worried. PANTS is a simple and clever acronym devised to teach children the underwear rule: Privates are private; Always remember your body belongs to you; No means no; Talk about secrets that upset you and Speak up, someone can help. For more information watch the [NSPCC video](#).
