

Put on the  
Lord Jesus Christ,  
and make no provision  
for the flesh

Romans 13:14

This Sunday is the first Sunday of Advent and Romans 13 is a reading you would usually hear in church this coming Sunday. The children will come home today with advent envelopes – which contain activities to do with your children over the next few weeks leading up to Christmas - we hope you enjoy doing these together as a family.

This week our whole-school attendance was 93%. Our goal is to reach 96% and above, which is considered good attendance and helps ensure children make the most of their learning.

### Wrap around care provision

Mrs Shephard sent out a survey via email this week to ask for your opinions on our current, and potential future, wrap around care provision. If you have not yet had the chance to reply, we would ask if you can please do so – we really do value your feedback and need more responses in order to make any decisions – this is the link:

### Safeguarding

The August Internet Matters Pulse shows that 3 in 4 children aged 9-17 experience harm online, from exposure to violent content to unwanted contact from strangers. Please see the below resources that are useful sources of information about keeping your children safe online:

NSPCC:

<https://www.nspcc.org.uk/keeping-children-safe/online-safety/>

Parentkind:

UK Safer Internet Centre:

Age ratings exist to help protect your child by showing whether content is suitable for their age. Whether your child is viewing films, accessing apps, playing games online or using social media— make sure you check the age rating first to see if your child is old enough.
